

CLINT P. NAGATA

SENIOR CREATIVE DIRECTOR & FOUNDER

Clint Nagata sees the symphony of space, form and function that a vacant site invites. Ideas are his currency. Culture shapes his credo. But instinct is his watchword. Nagata has it. He trusts it. As do the rapidly expanding ranks of BLINK's clients, among them legends of luxury like Conrad, Hilton, Rosewood, Jumeirah, Six Senses, Westin, Regent, Marriott and Mandarin Oriental.

Nagata has spent two decades at design's cutting edge, testing limits, winning plaudits, pushing room envelopes and exploring space. As his visions have become reality in many of the world's hotspots, he has built up an enviable track record of success, a coterie of contented clients and a growing reputation as a speaker of insight and originality. His recent accolades include the prestigious Hospitality Design Award for Conrad Sanya Haitang Bay; Conde Nast Traveller Hotlist & Asia Pacific Interior Design Award for Jumeirah Dhevanafushi Maldives; Gold Key Finalist for Best Resort in the World & International Property Awards Highly Commended for Regent Phuket Cape Panwa; and Conde Nast Traveller Hot List and Gold Key Finalist for Best Resort in the World 2014 for Regent Bali. Educated at the University of Hawaii, Nagata cites Sri Lankan design luminary Geoffrey Bawa as the enduring influence on his philosophy of design, and the mercurial mind of author Malcolm Gladwell as a source of inspiration.
