

SHALLU SINGH

ASSOCIATE DIRECTOR

Shallu is an architect with over 14 years of experience in every facet of architecture across hospitality, residential and healthcare projects. Having started her career with I Chaney in Pune she was an Associate with the firm in 3 years. In her 6 years with the firm she was trained to deliver international quality service from design to execution.

Continuing her focus of working on international building design platform, she fore-fronted the Spacematrix's relationship with Gensler and has personally driven the Gensler setup in Bangalore under the Studio i Banner for the first 3 years. She successfully delivered over 30 projects spearheading a team of 30 people.

Well travelled and having worked in various regions in India she understands the Indian construction sensibilities. Her role in BLINK encompasses various dimensions. She drives the team of 20 designers and architects. A very practical and goal oriented personality she complements the skills of the designers with her technical and design management strengths.
