

## BACK TO CLASSIC

Touted as “Asia’s Hawaii”, Hainan Island’s Sanya has seen a surge of new hotels in recent years. The new Conrad Sanya Haitang Bay is making waves with its award-winning design and back-to-classics concept. Created by the Blink Design Group, it was named this year’s best luxury hotel by the Hospitality Design Awards 2012 judges. Blink looked to the glamour of the French Riviera for inspiration, incorporating soaring arches and stately fluted columns, and using Australian sandstone for the stunning architectural façade. | 海南島的三亞被喻為「亞洲夏威夷」，近年湧現了很多新穎的酒店，當中不能不提獲獎的Conrad Sanya Haitang Bay，以回到經典為設計概念。酒店由Blink Design Group打造，獲2012的評審評為本年度最佳豪華酒店。Blink的靈感來自法國蔚藍海岸的迷人魅力，採用了高高的拱門和宏偉的柱子，而矚目的外牆則用上澳洲沙岩石打造而成。 [www.blinkdg.com](http://www.blinkdg.com)

## 回到經典

## SILVER LINING

As the summer heat rages on outside, we relax indoors with Fort Street Studio’s beautiful silver-hued carpets, which take on the tranquil hues and sheen of cooler climes. The Mata Hari rug pictured features fun, seemingly random swirls, bringing to mind the comfort and ease of lazy, idle afternoons. | 當屋外的天氣熱得令人頭昏腦脹時，最好就是跟Fort Street Studio的銀色地毯一同留在室內——各款設計均採用了柔和的色調及帶有清涼感的亮澤物料。圖中的Mata Hari飾有隨意的旋渦圖案，令人想到慵懶的下午，感覺輕鬆又寫意。 [www.fortstreetstudio.com](http://www.fortstreetstudio.com)
