### 2012 HD Award Winners Announced

Apr 18, 2012

Hospitality Design (HD) magazine announces the finalists and winners of the eighth annual Hospitality Design Awards (HD Awards), honoring the achievements of superior design and architecture in spaces around the globe. This year, over 325 entries were received in 17 categories spanning Fine Dining, Green/Sustainable Project, and Mid-Range/Economy Hotel. In addition, judges bestowed special awards upon two projects. On Wednesday, June 6th, HD will recognize these winning architecture & design firms and owners at the Grand Hyatt New York. Those interested in attending may [register here](#).

All recognized projects will also be featured in the May/June issue of HD.

The HD Awards were judged by a celebrated group of industry professionals: David Ashen, d-ash design; Jeffrey Beers, Jeffrey Beers International; Hans Galutera, BG Studio; Jon Kastl, Champalimaud; and Therese Virserius, Therese Virserius Design
