

WHO ARE WE BLINK是什么？

BLINK is a bespoke hospitality design group tailoring intuitive and inventive solutions for our clients. At BLINK, we understand that perception happens a lot quicker than we imagine. Within a blink of an eye, decisions are made, visions are born and change occurs. Blink orchestrates the senses and interplay of visual elements in those few moments, creating a distinct and irreplaceable experience.

BLINK是为顾客提供量身定制和创新服务的酒店设计公司。BLINK明白洞察力的重要性，在BLINK的眼中，决策力，视野性和敢于创新改变也尤为重要。BLINK把视觉效果与感官相结合，相互影响，从而创造出独一无二和无可替代的设计体验。

Master Planning

总体规划

The big idea. - How does a design truly distinguish itself? It all boils down to that first moment of encounter, the synergy, the overarching story that unravels. A revelation that can only come to pass when inspired Master Planning is at play. Accolades? Sure. Our award-winning team of associates are constantly in pursuit of diverse set of challenges that will drive macro-strategic planning and zonal segregation to a different level - one that is set apart by drawing from intuitive expertise, research and a desire for the extraordinary. In the broader picture, BLINK Master Planning sets a clear framework to streamline a large and otherwise complex project, and in turn a springboard for a myriad of creativity in design.

如何让设计独一无二？项目的总体规划是关键，它将影响到随后设计的总体定位。我们的设计团队对项目总体战略规划 and 不同水平的区域划分有着丰富的经验。无论是大项目或是综合性项目，BLINK的总体规划将会勾画出一个非常清晰的流线型的框架，为接下来的创新设计提供一个清晰的出发点。

Building Design

建筑设计

Going beyond form and structure. - By reinventing boundaries, shapes and substances that form a mental picture of a structure, design takes on a whole new significance, exceptionally so, when bespoke and tailored. A truly

successful benchmark would be the creation of a form that emanates the insights of seamless function and intuitive design. End result? Masterful perfection - soulfully executed.

超越结构和框架的限制- 通过对边界，形状和框架的再次运用，以形成一系列全新的不同的结构性的图像。建筑设计的最终目的是为了能够创造出一个可持续性的功能结构，并最终得以完美的实施。

Interior Design

室内设计

Intricate detailing. - Interiors have the power to accentuate. But far more than that, they have the power to create elegant juxtapositions that come alive with a multi-faceted story. Interlace seamless transitions from exteriors to define an extraordinary cocoon. An experiential realm of its own. By shaping strategies, design plans, 3D visualization and animation, interiors will form a cohesive story and strengthen the bonds and interactions that resuscitate and invigorate a space.

复杂的细节- 室内设计师的力量在于强调细节，但不仅限于此，室内设计师还能创造出优雅的和多面的设计。与外部设计相结合，通过战略策划，设计计划，3D视像和动画等手段，室内设计师将强调内部空间联系和细节，以创造出内外相结合的完整设计。

Brand Design

品牌设计

Creating authentic preference. - Pumping in hordes of marketing dollars may obtain a physical presence but it may not buy authentic preference. One that's derived from the true gut feeling of an individual about a brand. BLINK goes beyond the scope of a design house. By integrating brand identity strategies that transcend the scope of the final completion of the project, we put in place a framework that enables a brand to live on, evoking desire and influence. It's the thinking beyond the technical know-how. And we'd like to call this our silver bullet, one that propels the spectrum of design. As stewards of each of our client's overall corporate image and brand, our clients have embraced our corporate identity, brand strategy and marketing collateral design services and discovered novel perspectives in the process.

确定正确的喜好- 通过对品牌战略性的定义比最终完成项目更具重要性，这样就意味着BLINK并不仅仅局限于只是设计，我们会在超越技术信息的基础上为项目搭建起一个框架以确保品牌的明确性和影响力。根据客户的需要，确保品牌与公司形象的一致性，并融入公司的象征，为品牌提供定位，品牌战略和品牌宣传文件的设计服务
