## ASSOCIATE DIRECTOR

Pietro Campanella is one of hospitality design's most experienced and free-spirited figures, adroitly executing projects for boutique hotel pioneers Amanresorts and GHM, spa visionaries ESPA and, since joining BLINK Design Group, for five star global brands including Hilton and Rosewood. Indeed, the great Adrian Zecha himself, founder of Amanresorts, said he was impressed by Pietro's 'passion for good architecture'.

A technically brilliant architect, he also has a maverick's vision and non-conformist sensibilities. He taps his vast reservoir of knowledge in master planning, design and detailing to prepare concept presentation and design documentation before seguing into construction and site supervision.

More than two decades as an architect has taken him the length and breadth of South East Asia, and to Mexico and Australia. As such, Pietro is attuned to regional business perspectives. He previously worked as a senior architect with Denniston International Architects in Kuala Lumpur and at BARstudio in Melbourne.

Pietro's past projects include Aman Palazzo Papadopoli in Venice; Amanyara in the Turks and Caicos Islands; The Nizuc in Cancun; Fuchun Resort in Fuyang, China; The Chedi-Serai in Muscat, Oman; Rosewood Beijing and Rosewood Phuket; One & Only Resort, Maldives; The Setai Miami Beach; and the recently opened Amannoi in Vietnam.
